

## Welcome to the East Coast Maritime Business Summit!

The **East Coast Maritime Business Summit** is the premier gathering of stakeholders shaping the future of shipping and logistics across India's eastern seaboard. Organized jointly by **Maritime Gateway & GFST**, this flagship event brings together port authorities, terminal operators, shipping lines, freight forwarders, custom house agents' policymakers, and logistics professionals under one roof to deliberate on the evolving dynamics of maritime trade and multimodal logistics.

This Summit will help you realize profitable relationships with influential decision makers and allow you to stand out from crowd and achieve increased corporate and brand visibility. This is a perfect platform to promote your company and showcase your strengths to high profile individuals, companies and stakeholders from the maritime sector. We shall constantly create visibility and value for companies that partner on The East Coast Maritime Business Summit 2025 and shall provide significant recognition and acknowledgement across the event; run-up to the event, at the event and post-event. Our Sponsors and Partners will be highlighted as true owners spearheading the cause of up-lifting maritime trade and industry in the East Coast particular and adding value to the larger maritime goals of our nation.
